How Does Scrip Work?

Here is a quick little example of how scrip works to help you understand how easy it is to use the shopping you already do to help out your parish.

St. Bernard buys certificates either from the store directly or from our scrip broker-Great Lakes Scrip. In this case, we'll buy a \$100 Pick N Save (our biggest seller) card for \$96.

You stop by the scrip table after Mass and exchange a \$100 check made out to St. Bernard for the \$100 gift card.

You then go to the store and buy \$100 of groceries with your gift card. It's just like paying cash but you gave \$4 of what would normally be store profit to St. Bernard.

Four dollars might not seem like much but if you do it every week, that is \$200 a year that you are donating. Now add in gas, clothing, dining out and any gift giving you might do and you can give hundreds to help out and never feel a pinch. Discounts vary by merchant from 1.5% to 20% so Scrip is a great painless way for you to help out. Stop by and pick some up today! When you use scrip, you can thank the store for helping support us too!
